Eloquent Rage

A Black Feminist Discovers Her Superpower

By **Brittney Cooper**

Moderator: **Chamara Moore**

Far too often, Black women's anger has been caricatured into an ugly and destructive force that threatens the civility and social fabric of American democracy. In the Black feminist tradition of Audre Lorde, however, Brittney Cooper shows us in *Eloquent Rage* that there is more to the story than that. Black women's eloquent rage is what makes Serena Williams such a powerful tennis player, what makes Beyoncé's girl power anthems resonate so hard, and what makes Michelle Obama an icon. In what Joy Reid calls "a dissertation on Black women's pain and possibility," *Eloquent Rage* argues that anger is a powerful source of energy that can give Black women strength. Along with feminism, friendship, and faith in one's own superpowers, homegirls can emerge as heroes.

Friday, November 2

Noon– 1:00 pm

339 O'Shaughnessy

Free copies to first 15 attendees

Email: gender@nd.edu

Open to Students, Staff and Faculty

Sponsored by the Genevieve D. Willis
Endowment for Excellence
